7/274, Indira Colony, Guntakal, 515801.

EDUCATION

•Srinivasa Ramanujan Institute of Technology *2021-2024*
B.Tech in Computer Science and Engineering (Specialization: Artificial Intelligence and Machine Learning) CGPA: 7.4

•A1 Global Institute of Technology *2018-2021*
Diploma in Mechanical Engineering CGPA: 8

•S J P High School *2017-2018*
Board of Secondary Education, Andhra Pradesh CGPA: 8.8

PROJECTS

•RESUME CLASSIFICATION AND HUMAN FREE VIRTUAL AI INTERVIEW SYSTEM

– This project aims to revolutionize the hiring process by combining resume classification with an AI-driven virtual interviewer. Using machine learning and NLP, the system autonomously evaluates resumes and conducts virtual interviews, enhancing candidate assessment accuracy and efficiency..

TECHNICAL SKILLS AND INTERESTS

Programming Languages: Java, Python.
Object-Oriented Programming (OOP): Concepts and Implementations.
Front-End: HTML, CSS, JavaScript.
FrameWork: Spring, Hibernate.
Database: SQL.
Operating Systems:: Windows, Linux(familiar).
Soft Skills: Communication, Problem solving, Adaptability, Teamwork.
Areas of Interest: Technology Trends, Programming and Development.
Environments: Visual Studio Code, JetBrains IntelliJ IDEA.

CERTIFICATIONS

- **Java Full Stack**
  Organization: Wipro TalentNext
  Date: 05/2023 - 09/2023
  Certificate Link: View Certification

INTERNSHIPS

- **AWS AI & ML Virtual Internship**
  Organization: Eduskills
  05/2023 - 07/2023

- **Salesforce Virtual Internship**
  Organization: Smart Interns
  08/2022 - 10/2022

- **Cyber Security Virtual Internship**
  Organization: Palo Alto Networks
  03/2022 - 05/2022,

ACTIVITIES

•Participated in a one-week intensive workshop on Game Designing using Build Box organized by APSSDC, where I developed interactive gameplay mechanics and designed captivating levels for mobile games.

•Served as an active member of the National Service Scheme at Srinivasa Ramanujan Institute of Technology, contributing to various community service projects.

•Volunteered and participated in a Blood Donation Camp organized at our college, promoting awareness and facilitating blood donation drives.
